Additional **LINC** Systems services & solutions

PACKAGING PRODUCTS & SOLUTIONS

LINC Systems has experience providing industrial packaging supplies, products, applications, and solutions dating back to 1937. Over the decades, we have secured an offering of some of the industry's most recognized packaging systems to help you find the best solution for most any production- or shipping-related challenge.

PRO-DRIVE FASTENERS

LINC Systems offers a full line of pallet fasteners that have been rigorously tested by Virginia Tech's Center for Packaging and Unit Load Design and proven to be manufactured to the highest industry standards. Pro-Drive Premium pallet nails are ideal for pallet manufacturers and crating industries looking to create stronger and better performing pallets.

MARKING & CODING

LINC Systems is your source for some of the industry's most recognized marking, coding, and labeling systems to help you find the best solution to most any production challenge. We're proud to offer the latest technological advances in marking, coding and labeling solutions to our valued business partners.

DEALER SERVICES & RAPID REPAIR

For over 25 years, **LINC** Systems has been partnering with community and chain lumber yards, construction supply stores, and service centers throughout the United States to supply them with a variety of the most reputable brands of construction tools, fasteners, and accessories available on the market today.

PICTURE FRAMING

In 2020, **LINC** Systems acquired Active Sales Co., along with their rich history of supplying wood joining equipment since 1976 (Formerly MitreNailer® / Lesnick Fastening). Whether you're looking for picture frame cutting, joining, fitting, or accessories - we can help.
